REF: MARGUISA ATMAS SERVICE UPGRADE – NEW REEFER ORIGINS

Dear Valued Customers,

MARGUISA SHIPPING LINES is pleased to announce an upgrade on our ATMAS services which, as from 1st of November 2020, will include new REEFER service from North Europe to Bata & Malabo ports (Equatorial Guinea) with weekly departures.

With this upgrade, MARGUISA will include in our ATMAS **France, Netherland, Poland, Germany, United Kingdom and Portugal** as additional origins for REEFER cargo, among Belgium they we are currently working on.

We propose:

- Fastest service ex North Europe to Equatorial Guinea for frozen and chilled cargo.
- New brand Reefer Equipment
- Personalized offers
- Reliability with our specialized and professional team to manage this sensitive cargo

MARGUISA would like to reinforce our commitment with all our Equatorial Guinea customers offering the best services and transit times to this country.

Yours sincerely,
