REF: ANNOUNCEMENT - NEW MARGUISA CAMEROON SERVICE (MCS)

Dear valued customers,

MARGUISA is pleased to announce its new container setup to be named MARGUISA CAMEROON SERVICE (MCS) which will connect West Med, East Med, North Europe, Far East, South East Asia, Indian Sub-Continent and Middle East with Douala port on with weekly basis.

At a first stage, MARGUISA will deploy UML VERONICA (712 TEU vessel) as sole vessel in the new service.

- Port rotation to be Malabo – Douala – Malabo
- Launching date: first week of April 2021

The MCS will be a MARGUISA operated service and will connect all those containers to / from with our well-known MAS weekly service in the port of Malabo.

With this new service, MARGUISA is offering all its customers a more effective and faster solution for all those containers in / out Douala.

Yours sincerely,
